NAOWS President  
National Association  
Opposed to Women's Suffrage

## Vote *NO* on Woman Suffrage

BECAUSE 90% of the women either do not want it, or *do not care*.

BECAUSE it means *competition* of women with men instead of *co-operation*.

BECAUSE 80% of the women eligible to vote are married and can only double or annul their husbands' votes.

BECAUSE it can be of no benefit commensurate with the additional expense involved.

BECAUSE in some States more voting women than voting men will place the Government under *petticoat rule*.

BECAUSE it is unwise to risk the good we already have for the evil which may occur.

## Household Hints

Headquarters

Branch

Washington, D. C.

Votes of Women can accomplish no more than votes of Men. Why waste time, energy and money, without result?

*Household hints pamphlet distributed by NAOWS, circa 1910*

Sojourner Truth - *"And ain't I a woman? Look at me. I have plowed and planted and gathered into barns, and no man could head me!"*

Frederick Douglas - *"That woman is man's equal - was intended by the Creator, and the highest good of the race demands that she should be regarded as such."*

Carrie Catt - *"Service to a just cause rewards the worker with more real happiness and satisfaction than any other venture of life."*

In 1920, who influenced Tennessee state legislator Harry Burn, 24, to change his mind and cast the deciding vote to ratify the 19th Amendment?

- A. God, who told him He created everyone equally
- B. His mom, who told him “to be a good boy”
- C. His wife, who threatened to divorce him
- D. His fellow (anti-suffragist) Republican legislators, who threatened to rough him up

"I know that a mother's advice is always safest for her boy to follow."

Dear Son:  
*Hurrah and vote for suffrage! Don't keep them in doubt! I notice some of the speeches against. They were bitter. I have been watching to see how you stood, but have not noticed anything yet. Don't forget to be a good boy and help Mrs. Catt put the "rat" in ratification.*

Your mother

Red Lapel Rose - Nay  
Yellow Lapel Rose - Aye

Proposed amendments become part of the Constitution after ratified by **three-fourths** of the states.
